Merchandise and Food Vendor Applications and 5K Run/Walk applications are available and open on the website. Register for the 5K on the RunnerCard link. Parade and Swiss Miss/Mister applications will be open soon on the website. Sponsor information is posted on the Swiss Days link as well; if you are interested in being a Swiss Days Sponsor, please contact the city at 673-6712 X 201. We have a variety of sponsorship opportunities available that would be of value in promoting your business, including options giving exposure to your business for the entire month of September, as well as the weekend of Swiss Days. Swiss Days cows are also available now for purchase at the Town Hall office. Get your cow early to paint and decorate—the cows can be placed on Santa Clara Drive during the entire month of September. We are looking forward to another great Swiss Days event and hope you will save the dates and join us for this special annual celebration where history and family fun come together! FIREWORKS

FIREWORKS SAFETY FOR JULY HOLIDAYS:

For many of us the use of fireworks is a tradition. Although fireworks are beautiful, fun, and exciting to set off, we urge you to do so with caution and care, especially around children.

Utah changed its firework laws (HB38) in 2018. Under the new law, fireworks are only allowed to be set off from **July 2-5** and from **July 22-25**. Fireworks may be discharged between the hours of 11am–11pm on the days leading up to and following the holidays and till midnight on July 4 and 24. Cities and land managing agencies can also restrict areas where fireworks can be set off and restrict their use. Please watch for and abide by any special fireworks restrictions that may be put in place due to dry, dangerous conditions. Fireworks are prohibited within 250 feet of the following areas: dry washes & drainages, river & stream corridors, hillsides, plateaus, & mesa tops, undeveloped open space, or natural terrain. Check for a Fireworks Restriction Zone Map on the city website: www.sccity.org under Fire Dept information.

FIREWORKS SAFETY TIPS:

- Use only fireworks purchased in the **State of Utah** from licensed dealers or retailers.
- Use fireworks only with responsible, adult supervision at all times.
- Never allow young children to handle fireworks
- Light the fireworks in an open area & on a non-combustible surface, such as a driveway or paved area.
- If windy conditions exist, do not light fireworks.
- Keep a bucket of water available.
- Soak fireworks thoroughly in a bucket of water, or douse them with a hose prior to disposal
- Handle used & “dud” fireworks with a shovel. Do not try to relight.
- Keep clear while lighting fireworks, do not lean over them at any time.
- Keep pets indoors while setting off fireworks

**Keep your Independence Day & Pioneer Day
holidays fun and safe this summer!**

LONG- & SHORT-TERM RENTAL BUSINESS LICENSE:

If you are the owner of a long- or short-term rental property please be aware that a new city ordinance was passed by city council in February requiring rental property owners to acquire a Santa Clara City business license. Business license applications can be found on the city website at www.sccity.org under the Forms & Applications drop down tab. You can fill out & submit the app from the website and then call to pay the license fee, or you can come into the city office to fill out an application and pay the fee. The annual license fee is \$50. For more information call 435-673-6712 X 210.

H.E.A.T. PROGRAM:

H.E.A.T. office location: 1664 S Dixie Dr. Unit L-104 St. Geo. UT 84770, in Dixie Commons.

“ADOPT A WATERWAY” PROGRAM

The City of Saint George has created and requested assistance in a program called “Southern Utah Adopt A Waterway”. The program is targeting our local water ways with combined effort including citizens, volunteer groups and municipalities. The goal is to enhance our local river system by smaller organized/sponsored clean-up efforts. It is very similar to the State’s “Adopt a Highway” Program.

Santa Clara City has joined the above program to enhance and beautify the Santa Clara River/Tuacahn Wash areas within our city limits. We are actively looking for volunteer groups to adopt a section of river within our City.

For further information on the “Southern Utah Adopt A Waterway” Program, visit www.sgcity.org/adoptawaterway
